WORK EXPERIENCE

02/2025 present
UAE

Skytech IT Solution

Contractor, then Freelancer

Led the creation and evolution of the product design system library, improving design consistency and development efficiency.

Led UX/UI design for complex business workflows including payments, digital wallets, KYC, subscriptions, affiliate systems, loyalty programs, operational dashboards, and IAP experiences.

09/2024 02/2025
Hanoi

MenuWise International LTD

Contractor, Product Designer

Responsible for shaping the end-to-end SaaS product experience for a culinary platform, enabling restaurants to create digital menus and customize nutrition information for meals.

Collaborated closely with cross-functional teams across New Zealand and the Philippines to deliver user-centered solutions.

11/2019 09/2024
Malaysia

FPT Software Malaysia SDN BHD

UIUX Designer, DesignOps

Designed enterprise digital products within the oil & gas industry, helping translate complex operational requirements into intuitive interfaces for safety management, compliance monitoring and operational reporting.

Working with internal DesignOps teams and PM to come up with final UI design.

Improved usability and UX for initial systems.
